POLICIES AND CONSENT FOR EMERGENCY MEDICAL CARE AND SCREENINGS

This form will be taken with the child when emergency medical care is needed.

Child's Name: _____

The parent is responsible for making arrangements for alternative care for your child if he/she is ill, needs close supervision or has a contagious condition and cannot attend preschool. The parent is also responsible for transportation if your child has an illness or minor injury while at preschool, not sufficiently severe to warrant emergency medical transportation.

In the event your child becomes seriously ill or injured and requires immediate medical attention, he/she will be accompanied by a School District of Philadelphia staff person and taken to the nearest hospital emergency room in an emergency medical vehicle. We will attempt to notify the parent at once. Under the Medical Services/Minor Act, immediate emergency treatment will be initiated at the hospital. However, it is essential that both Early Childhood and the hospital be able to locate you as soon as possible, to give either written or monitored verbal permission for comprehensive treatment. Please be sure to keep your child's preschool teacher informed about how to reach you when you are not at home or at work/school.

Parents are responsible for the costs of medical treatment if their child is injured. Please contact Early Childhood Health Services if your child needs medical insurance.

A Doctor's note will be required before your child can return to preschool if he/she has any of the following: an emergency room visit, certain cases of illness (contagious, serious, requiring a long absence or surgery, etc.) or certain cases of injury (needing doctor's care, cast or brace, special activities, etc.). If you have any doubt, please obtain a Doctor's note whenever your child goes for medical care.

CONSENT FOR EMERGENCY MEDICAL CARE AND PREVENTIVE SCREENINGS

My signature below indicates that I give consent for:

1. The administration of minor first aid to my child by preschool classroom staff
2. The emergency medical and/or dental care which may be necessary to preserve the life of my child or to prevent impairment of his/her health in the event that time does not permit obtaining my personal consent for such care. I understand that I will be contacted as soon as possible, and will assume responsibility for giving permission for on-going care
3. My child to participate in the Office of Early Childhood screening program which may include, but is not limited to; developmental screening, behavioral screening, vision screening, hearing screening and dental screening. I understand that as part of the preventative health program, children participating in preschool programs of the School District of Philadelphia receive screenings during the school year.
